

Community for Everyone

Do you want to make a difference in your community?

Community for Everyone aims to connect isolated people with intellectual disability to their community.

Community for Everyone is a project in Ryde and Parramatta, led by Side By Side Advocacy until June 2027.

About Side By Side Advocacy

Side By Side Advocacy is a not-for-profit organisation that promotes and upholds the rights and interest of people with intellectual disability.

Our goals

- Bridge the gap between isolated people with intellectual disability and their community
- Connect people with intellectual disability to local people with similar interests
- Develop supportive networks that improve everyone's lives
- Create a community where everyone belongs

What you will do

- Build a supportive and meaningful relationship with a person with intellectual disability
- Help a person with intellectual disability connect with others and explore shared interests in community
- Support a person with intellectual disability expand their networks

Two ways to be involved

- Social connector: spend about 3-5 hours each week
- Circle member: spend about 3-5 hours each month

We are seeking community members with good communication skills and a belief in the inclusion of all people

Benefits of getting involved

- Meeting new people
- Exploring shared interests with your connection
- Getting to know your local community
- No experience, no problem. Training and ongoing support will be provided
